The meeting was convened at 6:05 p.m. with Commissioners Bruce Clark, David Irvine and Robert Leavitt, Treasurer Daysha Morell and Superintendent Bruce Harper present.

Commissioner Irvine made a motion to accept the minutes of the May 7, 2018 Monthly Meeting, seconded by Commissioner Clark; the vote was unanimous.

Gail Clermont was in to discuss her water quality, the tests that were done by Bruce Harper showed high iron levels. Mr. Harper said he would like to loop a two inch line for her but will not be able to do that until the fall. Mr. Harper also said that he priced out filter systems and that the cost was \$3,000.00. He said that he will try to find cheaper filter systems. Gail Clermont was not happy that the work would not be done until the fall. Bruce Harper explained to her that they are very busy right now replacing the water main on Richardson Road and that he will try to get to it sooner but most likely not before late July or August.

Bruce Harper said that he will award the bid after he reviews it.
