

# HYDRANT FLUSHING NOTICE

**DATE:** APRIL 30 & MAY 1, 2024

**TIME:** 11:00 PM TO 5:00 AM

**AREA:** STARTING AT MIDDLESEX ST. @ BRICKHOUSE PIZZA TOWARDS LOWELL

STARTING AT PRINCETON ST. @ NORTH RD. TOWARDS LOWELL

Flushing will be conducted *overnight* to minimize impact to the community, as this is the time during which water is least frequently used. Physical signs will be posted in the area at least one week in advance.

Your water service will NOT be interrupted during flushing, although we recommend that you refrain from using your warm water tap during flushing, as this could introduce sediment into your water heater.

You may experience discolored water during and after flushing. Please flush your COLD bathtub tap until the water runs clear. If you continue to experience discoloration, please contact our office at (978) 251-3931.

*Thank you for your patience and understanding.*

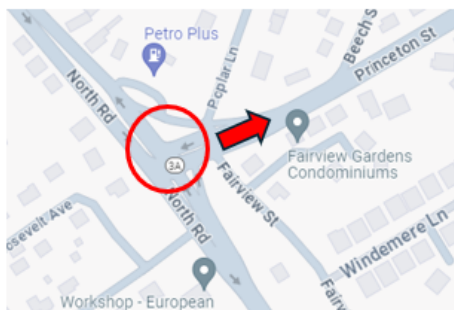

## Estimated Impact

Red Layer: Properties which are **highly likely** to experience discoloration

Yellow Layer: Properties which **may** experience discoloration (may reach Vinal Sq.)

Direction of Flushing: Middlesex St.

Direction of Flushing: Princeton St.

Estimated Affected Area
